

MSc Konstantinos Zitis

Few words about me

I have extensive work experience in computing environments and the ability to work with many different types of people.

I am a conscientious person who works hard and pays attention to detail. I'm flexible, quick to pick up new skills and eager to learn from others.

I also have lots of ideas and enthusiasm. I am willing to learn new subjects and skills in the context of business ideas & actions, business progress and business development.

I have analytical thinking and innovative ideas in the context of the tasks I undertake to complete.

Starting a commercial - business activity in the field of Computing (my own company) under the name CSC / Computer Science Center, based in Corfu and in Athens - creation of hundreds of computing applications in various sectors (14 years).

IT applications developer: Parallel work with studies in Germany, at the company Fraunhofer Gesellschaft Darmstadt (FHG Darmstadt), as a developer – production assistant in specialized areas with virtual reality and BTX electronic information stations (2 years).

Seminars & Workshops: Advanced Computer Architectures, Parallel and Distributed Systems, Artificial Intelligence, Neural Networks and Computer Technology, Databases (Query Optimization, Heterogeneous Databases), Information Systems, Human Machine Communication and Virtual Representation, Management of Scientific Experiments and Data, Workflows, Digital Libraries, e-Learning, Project Management, Internet Marketing, Social Media Marketing, Search Engine Marketing, Internet of Things (IoT), Mobile applications.

EDUCATION

Open University of Cyprus (AIIKY) - Cyprus – **Master** diploma at Information and Communication Systems - Advanced Technology and Intelligent Systems (Thesis: Representing real user preferences in conditional preference networks)

Hellenic Open University (EAII) - Greece – **Informatics** diploma (Dissertation: Google applications and services for Business Informatics).

Technische Hochschule Darmstadt (THD) - Germany - **Informatics & Economics** (Wirtschaft's Informatik) - Darmstadt.

CERTIFICATES

TOEIC Advanced English Diploma
German Language Götte Institut Oberstufe III
ECDL Expert Certificate (E.K.0935)

Education Certificates for a total of 1245 hours, in the subjects:

- 1) Principles of Adult Education,
- 2) Institution of Vocational Education and Training,
- 3) Teaching Methodology of Informatics.

HARD SKILLS

Adequate knowledge of plenty programming languages (such as C, C++, C#, Java, Python, JavaScript, TypeScript, SQL, PHP, XML, HTML, CSS, LUA, VBA, Kotlin, R , Ruby, Dart, Go, etc.), RDMBS applications (MySQL, PostgreSQL, MariaDB), modern application implementation environments and libraries (Programming Frameworks such as React.JS, Spring, .NET etc.), content management systems (CMS such as WordPress , Joomla, Drupal etc.), office automation applications (MSOffice, OpenOffice, Google Docs etc.) as well as specialized knowledge of using computing applications in the fields of Multimedia (Adobe applications, Video & Sound editing), Mobile Devices (Android Studio), Micro Controllers (Arduino, Raspberry).

SOFT SKILLS

Excellent ability to impart knowledge, teach, conduct seminars, present ideas. Administrative and organizational skills, management of computing project teams, ability to communicate, prepare reports, plan, and analyze projects, monitor, and coordinate computing projects. Empirical knowledge in the field of Machine Learning and Data Science, interpretation, and extraction of new knowledge from them.
